

HONORS COLLEGE NEWSLETTER

April 25, 1990

S. F. Bush

HONORS COLLEGE ELECTIONS:

Food for thought: The people you elect as officers of the Interdisciplinary Honors Student Association will have greater effect on you (as a member of the Honors College) in personal ways than the President of SGA. So the elections are important. Whether you vote for or against these who are nominated, it is important for you to vote.

Deadline: **Monday, 4-30-90, 8:00 p.m.**

Vote: By mail ballot returned to the Honors Office
or
place your ballot in **Oak Hall ballot box** on
Monday, 4-30-90, between the hours
1:00 p.m. - 8:00 p.m.

COMPUTER TIPS

By Devin McRorie

Hey! For those of you interested in dismissing those swapping time blues, here's what you'll need to do!

First, be aware this only works if you use the Honor's Network!

Copy the following files to your own disk from the Appleshare disk:

- System
- Finder
- Appleshare
- Appleshare Prep
- Appletalk Imagewriter

Then copy out of the Honor's Network the file **Font/DA Mover** by entering the folder **Ready, Set, Go!**. Then enter folder **Imagewriter_Fonts** and copy **FDM** by dragging the icon to your disk. This will require disk swaps.

With the Font/DA Mover you can remove from the system file various useless trinkets found in the apple icon menu, i.e. analyst, puzzle, and scrapbook. No one ever uses these things yet they take enormous disk space.

Also, using your own disk you can put your text files on the disk; i.e. no more disk swaps. By getting rid of the aforementioned trinkets, the extra memory can hold more documents.

Please be sure not to harm the AppleShare Disks as they are school property.
