

HAPPY HOLIDAYS

Dear Honors student (Interdisciplinary or Teaching Fellow):

How are you doing? I hope final papers, projects, and exams aren't giving you too many problems (Ha ha). Thought I'd take a few seconds to say some stuff.

1) Remember that I'm around (204 Oak) for all of you if you need any help (this includes all of you--Phase V residents, other on-campus residents, and commuters). Please don't hesitate to call on me during this particularly stressful time.

2) We've decided on a time, date, and place for our first Dinner Roll. For those of you who haven't been enlightened about this, it's just a fancy name (thanks to Chuck Brackett) for a time we can get together as a group and indulge ourselves in some of Charlotte's finer culinary delights. Our first one will be at Casa Gallardo, 5638 Albemarle Road. It will be on Thursday, January 18, at 7:30 pm. We will be meeting at the mail boxes of Phase V at 7:10 pm that night to form a caravan. Those of you who live closer to Casa can meet us there. If you need a ride, please leave your name with me (549-9068) or the Honors office (547-4824). Our Dinner Roll schedule will be every third Thursday of the month (or more often).

3) We've begun talking about a social/banquet/dance/retreat... for next semester. I think a dinner theater with UNCC's Dance Ensemble or Jazz or Guitar Ensemble would be nice. It could be semi-formal. We could invite Chuck Lynch or someone like that. Input please...

4) I hope you all enjoy a festive holiday season and an enjoyable break. I know you deserve it. Thank you for making my first semester as President a very worthwhile one. Keep up the good work!

Again, have a happy holiday season.

Sincerely,

Neill Kimrey, 1989-90 Interdisciplinary Honors President
