

HONORS NEWSLETTER

December 9, 1988

Well, well, well. The end of this semester is *finally* here. About time, eh? There's no CV this week, since most everyone is leaving the area. Besides, who wants to do anything cultural during Christmas anyway?

Actually, there are only three reasons for putting this out this week. One is for continuity, two is for admonishment, and three is for survey.

Admonishment is this. Once again, Teaching Fellows are Honors Students because they are Teaching Fellows. The Program ~~is~~ students who are Teaching Fellows, and students in other programs who want the challenge posed by the Honors Program. Hopefully everyone understands this now.

Also, have a great time while on break, but please be careful out there. We want **everyone** back with us in January!

Survey is as follows

Your dedicated officers and RAs had a meeting last week. After heavy discussion, we decided that some sort of group activity sometime toward the middle of the semester would be nice. Here is where we bogged down. So, we're going to have an honest-to-gosh vote. Please take a minute to fill out this rip off ballot. For those in Oak, Neil and Heather will come to pick them up sometime next week, or you can take it to them when you are finished. For those off campus or other areas on campus, please drop it in the envelope on the door, or mail it to us through campus mail.

IDEAS

SPRING SOCIAL(DANCE) _____

RETREAT _____

OTHER? _____

For the social we have discussed many different options, such as a formal(tux/gown), semi-formal(tux or coat&tie/gown or dress), or an informal(no jeans); holding it on campus or taking it off; and a few other things. If you have a preference for one or more of these options, write it/them on the back. The retreat would probably be a one day thing on campus, to include a cookout and other fun sort of things. We are coming to you folks for input because this is your program. Therefore, let us know what you think (so long as it's reasonably polite!).
