

# HONORS NEWSLETTER

January 13, 1989

Welcome back, all!!! We hope Santa was good to everyone and that you have come back fired up and ready to roll.

To remind everyone, we now have someone in the office with regular hours. Jo works from 8:30 to 12:30, Mon-Fri. Also, you can call anytime to leave a message, the number is 547-4824, or leave a note on the door.

Some 80+% of the social ballots returned favored a semi-formal get together, somewhere off campus. The majority has spoken. To those who wanted a retreat, drop a message by and we can all go camping sometime. It wouldn't be quite the same, but it might be fun.

As a reminder, the theater season in Charlotte is about to heat up, so go get those tickets!

Darrice Monk has come back to the fold after successfully combating some nasty social disease last semester. Everyone should stop by 204 to say "Hi".

Short, sweet, and to the point. Everyone have a safe MLK, Jr. holiday.
