

HONORS NEWSLETTER

March 19, 1989

WELCOME BACK!!!

We hope that everyone had a great break and that you're all ready and rarin' to get back to work, cause you've got to whether you want to or not! Think about it this way, only 6 more weeks till finals begin!! Encouraging, huhh?

To the young ladies in ARSC 3700, don't forget that we have a paper due Tues the 21st, so get it written!

Early registration for "normal" people begins Mon, 10Apr, so for us it should be 27Mar or 3Apr. Start planning your courses for next Fall now, and I'll get back with you about the date next week or thereabouts.

I would encourage everyone who can float to consider taking Scuba Diving, not only is it a really fun class, but it is also a relatively easy A. I know that bright, hardworking Honors students aren't really concerned with these sordid sorts of things, but what the heck.

Elections for Honors Officers are coming up relatively soon so those of you who are interested in running should start campaigning.

Also, school wide elections are coming up very shortly (Mar 28 and 29). Everyone should try to get to know the positions and experience of at least the candidates for the major offices so that you can make an informed decision on election day(s). If enough interest is expressed, your friendly editor will be more than happy to ask the candidates to come to the next meeting to talk with us about what they see as the issues facing our University in the upcoming years.

This publication will undoubtedly take a stand and endorse a candidate for each major office, but not until your editorial staff has an opportunity to confer on the wisdom of this action. Stay tuned for more.
