

# UNIVERSITY HONORS NEWSLETTER End of Year 1993

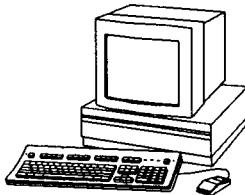

SCHOLARSHIP

SERVICE

SUCCESS

---

**RETURNING YOUR COMPUTER.** The end of the year is just around the corner, and we know you're getting ready to pack up and go home. Well, before you do, let us give you a quick reminder to return any computer equipment you may have checked out to the honors office by **May 8**. You may put a tag on it or some form of identification so that when you return in the fall, you may check out the same machine. You will be able to check out the computer for the whole year, as long as you stay in Poplar. If you are graduating, sorry, you can't keep it as a

graduation present. But let us extend our congratulations on a job well done, and best wishes for you in the future. Congratulations!! You deserve it!!

**STUDENT-FACULTY FORUM.** Are you confused about your honors courses, their interrelationships, community service? Have you even met the honors faculty? If this pretty much describes you, here's your chance to wise up! There will be a student-faculty forum on **Tuesday, April 27, 1993** at 4:00pm in the 3rd Floor Lounge. The faculty will be talking about the courses they teach and how they relate to the other honors courses and to community service. Students will have the opportunity to ask questions and pose ideas to the faculty. If you don't have a clue about the topics we will be discussing, this is your chance to get one. If you already have a clue, this is your chance to show us how great it is! In short...**Be there or be square!!!** P.S. Munchies will be served.
