

# HONORS NEWSLETTER

## September 1, 1989

### **RETREAT UPDATE:**

There are still openings for the Sunset Beach retreat scheduled for the weekend of September 29th. It is very important that you sign up as soon as possible since space is limited. A special note to those of you who are new to the program; we (the officers) would really like to urge you to participate in the retreat. It will provide you with a great opportunity to meet your fellow Honors students and to just plain relax at the beach. Contact or come by the Honors office if you are interested. There will be an information session on September 21st at 4:00 for those who plan to go.

### **STUDY ABROAD:**

What enticing words do you use as opening lines to engage a Chinese student in a discussion of the new politics in that country?

Should you order the Moet et Chandon champagne or the Chateau neuf du Pape wine while dining in an outdoor cafe in Monte Carlo?

Do the stars really shine brighter in a midnight blue sky as you stand outside the ancient castle of Neuschwanstien in Fussen, Germany?

Now is the time to start giving "STUDY ABROAD" some serious thoughts, while you are young and free. Keep in mind that it is a life-changing experience and an opportunity that may only come once in your life time. Soon after graduation you'll probably be facing the responsibilities of family, debts and the 9:00 to 5:00 work world. **Dare to open yourself to adventure!** Again, contact the Honors Office for more information (and exciting stories about European exploits).

### **ENRICHMENT SEMINAR STUDENTS:**

There is a correction to be made in the Enrichment Seminar syllabus: the date listed as October 4th UNCC - Wade Davis should be changed to October 5.

**OOOPS! WE GOOFED.**

**-OVER FOR MORE-**

**ATTENTION LATE NIGHT PROCRASTINATORS:**

The Computer Room (211A Oak Hall) is now open for your shopping convenience 24 hours per day. A word about security: We strongly recommend you think twice before unplugging any of the black wires in that area unless your idea of fun is talking to the police while wearing handcuffs.
